

Early Release Fridays Permission Form

STUDENT NAME

DATE

Parents, in order to accommodate the needs of our students taking LRU classes, we allow our Juniors and Seniors to leave early on Fridays (1:30 pm) - once all their classes are completed. The policy is in the Student Handbook as follows:

Friday Dismissal: When LRU classes are in session, Junior and Seniors only may be granted early dismissal (1:30 pm) on Fridays. This is a privilege that must be earned. Students must have earned a 3.5 or better GPA during the previous semester to qualify. This will be reviewed on a semester-by-semester basis. This privilege can be lost through academic and/or disciplinary infractions. Approval by Principal and written permission from parents is required.

The above privileges may be denied based on improper behavior and/or violation of school discipline policy.

By way of your signature below, you will be giving permission for your child to leave early on Fridays for this academic school year, provided they meet the requirements as stated above.

TO BE COMPLETED BY PARENTS

I give permission for my child _____ to leave school on Fridays when all their classes and other school obligations have been completed. I acknowledge that this privilege can be denied by UCHS in the case of academic and/or disciplinary violations.
