

Leave & Return Permission Form

STUDENT NAME

DATE

Parents, in order to accommodate the needs of our students taking LRU classes, when LRU classes are not in session and UCHS classes are in session, Juniors and Seniors may arrive at UCHS in time for their high school classes and then leave when they are done. Students must be able to be on campus for Chapel and required events.

In the past, students with gaps between high school classes have been required to stay at school until all UCHS classes were complete for the day. Because there are students who have classes at the beginning of the day and then nothing until the end of the day, we have decided to modify our policy.

By way of completing this form, students with more than a 90 minute gap between high school classes may apply for the additional privilege of leaving the UCHS campus during the gap. Students must both sign in and sign out every time they arrive and leave. Failure to do so may result in revocation of this privilege. Late arrival for a class, after being off campus, may also result in revocation of this privilege.

The above privileges may be denied based on improper behavior and/or violation of school discipline policy.

TO BE COMPLETED BY PARENT

I give permission for my child _____ to leave the UCHS campus during their schedule gaps while LRU classes are not in session. I acknowledge that this privilege can be denied by UCHS in the case of academic and/or discipline violations. In addition, we will accept full responsibility for the behavior and actions of our child while away from the UCHS campus.
